- **Languages:** C++, Java, SQL, Python
- **Web Development:** HTML, CSS, JavaScript, React JS, Node JS, Express JS
- **Databases:** MySQL, MongoDB
- **Tools:** Canva, Photoshop, Figma, WIX
- **Core Subjects:** Data Structures and Algorithms, Object Oriented Programming, Database Management System, Operating System

EXPERIENCE

Software Engineer Intern

Jan 2026 - Present

Emerson

- Built automation bots using Python and Robocorp to streamline repetitive tasks.
- Developed and tested RPA workflows to improve process efficiency.

UI/UX Intern

Mar. 2025 - April. 2025

Divegen Technologies Pvt. Ltd.

- Designed the company's official website with prototypes and wireframes.
- Designed animations for small businesses (ice cream & cycle stores).
- Used Canva, Figma, and Wix Studio for design and prototyping.

PROJECTS

RescueBites- Free Food Service Management

React.js, Express.js, Node.js, MongoDB

- Designed a role-based system with Providers (posting food requests) and Consumers (booking food) based on pin code proximity.
- Implemented JWT authentication for secure access and automated request expiration after 18 hours to optimize resource management.
- Enhanced engagement of the users, promoting donations and reducing food waste efficiently.

RuralBridge - Digital Marketplace for Rural Entrepreneurs

React.js, Express.js, Node.js, MongoDB

- Developed RuralBridge, a digital marketplace connecting rural entrepreneurs with urban consumers.
- Designed a role-based system enabling sellers to list products and buyers to purchase directly.
- Promoted rural entrepreneurship and digital inclusion by ensuring transparent transactions and fair income distribution.

ACHIEVEMENTS AND EXTRA-CURRICULAR ACTIVITIES

- **NSS Member (PICT)**- Led activities like tree plantation, conservation, Cleanliness Drive, Nirmal Wari and school teaching.
- **Design Head - NSS**- Created impactful visual content for social awareness campaigns and designed web interfaces for community-focused projects. Currently working on "Dada Chi Shala" a website aimed at supporting rural education.
- **Newsletter Designer**- Designed the official PICT Computer Department newsletter.
- **NGO Visit Coordinator - Pictorial Club**- Organized and managed NGO visits.
- **PASC Member & Publicity Lead - Pulzion** - Contributed to technical events, mentored freshers, led promotional activities, and served as POC for First-Year engagement.
